LIFE ON A LEAD

They say that every dog has their day, well in Northallerton it was a whole week from the 29th July to the 5th August, the inaugural Northallerton Dog Week, a celebration of all things canine.

At Joe Cornish Gallery, visitors & their dogs enjoyed two special exhibitions, "Life on a Lead" by Kate Somervell plus Emma Stothards' "Dog Sculptures in Wire and Willow"

Northallerton BID Manager Julia Chance said, "We want our visitors to know that in Northallerton, there are many businesses who welcome dogs and their owners, if in doubt, just ask or check out our website for more information"

TESCO TO THE RESCUE!

Tesco Northallerton came to the rescue for the inaugural Northallerton Town Meal on the 28th July in the Town Hall. Volunteers used food donated by businesses and individuals which might otherwise have gone to landfill to feed our community. However, with a shortfall of fresh produce donated, Tesco came to the rescue with a trolley full of fresh fruit and veg, well done guys!! The event was a great success and another meal is planned for November, if you wish to donate or be part of this community event, contact Louise on 07988 870045
