BONFIRE GOES GOLD

Northallerton Town Council are staging the area's biggest free firework display and bonfire, sponsored by Simon Bailes Peugeot. This year marks its 50th Anniversary!

Rather Good Radio will be on stage providing live entertainment from 5pm with Paisley Sundae and the Northallerton Rock Choir and the huge bonfire will be lit at 6.30pm with fireworks starting at 7pm.

Food and drink will be available including Sewell Smoke and Grill, G Hirst Hotdogs, Doughnuts, Craig Picken Hog Roast, Aaran Wallis Meats, Cowgirl Catering and Pamela's Ice Creams plus some traditional fairground attractions for all to enjoy.

It's sure to be a great family night out to remember. With Lewis and Cooper's Taste of Christmas festival on the same day on the High St, why not make a day **and** night of it in town?

CAN YOU HELP WHEELS TO WORK?

The local 'Wheels 2 Work' moped loan scheme operated by Northallerton based charity Hambleton Community Action urgently needs your help. Over the past 16 years the moped loan scheme has helped 100's of young people get to work & apprenticeships when no other form of transport is available. They do this by loaning a moped to the young person whilst they work & save for their own transport. However their fleet of mopeds is getting old. Each new moped costs £1200 & they urgently need new scooters to help the young people on their waiting list. In return for sponsorship the charity will promote your business on social media, Wheels 2 Work van & website. Contact Andy on 07764151081 or Wheels2Work@hambletoncommunityaction.org

SMALL BUSINESS SATURDAY

Small Business Saturday, a national campaign in support of small local businesses, is planned for Saturday 2 December 2017. The BID will be focusing social media on our smaller businesses throughout the day and we urge all small businesses to get involved, have their business listed on the Small Business finder plus take advantage of social media support nationally on smallbusinessaturdayuk.com/ there are lots of free resources online. #smallbusinessaturday

FORUM COULD BE A LIFESAVER

The Forum has installed a heart defibrillator thanks to financial assistance from the Co-op Local Community Fund. The life-saving equipment is placed in a cabinet outside the centre to be used by staff & community. The Forum will be responsible for the defibrillator's upkeep & maintenance. Chair of Forum Trustees Anne Wall said: "We are very grateful to members of the public who voted for us to receive the funding and to the Co-op Local Community Fund for running the scheme"
